

FROM WORKPLACE-IN SAFETY CLOTHES!

***Our main product lines are work clothes, shoes, gloves, helmets, boots with steel toe and glasses.**

Our company has established good relationships with few selected factories in safety equipments. One with whom we are working for long time is specializing in safety goods manufacturing and exporting, and has grown to become the leading manufacturer and exporter of safety goods in China. Our company has many years of business with them and the excellent cooperation.

With our great efforts, we have set up strict quality control system for all the items we have done with them to meet our customers' various requirements. Successfully done jobs and feedback from clients give us one more confirmation that this factory is really great.

This is a factory which has all necessary certificates confirming the quality that is required by this type of merchandise.(INTERTEK-provides testing, inspection and consulting services for a wide range of global industries and markets- ISO 9001, ISO 14001, ISO 13485, ISO/TS 16949))
